
Church Foundational Network Family Conference

Christ Fellowship Church * Carrollton, Georgia
June 9-11, 2009

Dear CFN Family,

Greetings in the Name of Jesus! I pray that you are well and have started making plans to attend our CFN Family Conference for 2009. Pastor Marc Limbaugh of Christ Fellowship Church in Carrollton, Georgia has graciously opened his church to host our family conference this year. His church is hosting us as we gather to hear from the Lord and have precious fellowship with each other. Enclosed you will find a conference brochure and registration form with many of the details concerning the conference.

You may pre-register by returning your forms and payment to us. This saves you money and when you arrive your welcome packet will be waiting for you at the registration table. We also have a conference website: www.cfnconference.com where you can download and print these same registration forms if you need additional ones. Please make sure you fill out the registration information completely. Fill in all the blanks as we need the information to better serve you. It helps us in getting information to you accurately and in planning for our future conferences as well. For instance, we are asking for the area of ministry involvement or interest for you and your spouse so that we can plan our interactive workshops most effectively. Make sure you look at everything closely so you don't miss out on anything!

We believe that the Lord wants you to come with expectations that you will be physically blessed and spiritually refreshed. We have a wonderful conference planned and the theme this year is "The Hour of Opportunity". Please make the most of your time at the conference to connect with old friends and make new ones. Come expectant to hear a fresh word from the Lord. Our desire and goal is that you have a wonderful experience and that you will go home refreshed, renewed and rekindled. If there is anything that we can do to help make this happen, please do not hesitate to let us know. You may call or email me if you have any questions before the conference. Of course, I will be at the registration table once the conference begins. If you have any problems, we will do our best to help you.

Christ Fellowship Church will be providing youth, nursery and children's ministry. You will find enclosed information from each leader. Carolyn Murdock will oversee nursery (ages newborn to 2 years old), Brittany Harper will oversee the preschool (ages 2-5 years old) and Susanne Wall will oversee the Elementary Children's ministry (1st-5th grades). Michael and Martha Jean Harper will oversee Youth ministry (6th-12th grade). Please make sure you get enclosed permission slips filled out and notarized and return them with your registration. This really helps the teams as they prepare outside activities for your children and teens.

We are also blessed to have worship led by the worship team from Christ Fellowship. My team and I will be there at the registration table to serve you and the Apostolic Council will be available to minister to any needs you may have. Please let these servants know how much you appreciate them! It takes a lot of people to put a conference of excellence together.
